

DODGE TOWN

Dodge Town, a child-sized Wild West themed main street at Antioch Park in Merriam, Kansas, has been one of the most popular play areas in Johnson County for generations and was in need of a renovation. The Clark Enersen Partners' site and architecture teams looked at several ways to redesign the space utilizing low-maintenance materials and solve issues such as accessibility, visibility, and drainage. Dodge Town reopened in the spring of 2018 for many more generations to enjoy!

LOCATION: Merriam, Kansas
